DELIVERY & PROCESSING CHARGES (D&P)

D&P is the charge for catalog and Internet order processing, item selection, packaging, transport, and handling. Special delivery requests, including specification of carrier and/or future delivery dates, may incur additional charges. Delivery times are not guaranteed, notwithstanding additional charges, but are our best approximation and will vary with specific requests, such as gift packaging and monogramming. Shipments and deliveries occur only on weekdays. D&P is subject to change and will be determined at time of order and subject to the following:

- **Standard Delivery** — Unless an expedited service is requested, your order should arrive in approximately 5-7 business days after shipping.
- **Two-Day Delivery** — If requested, add \$10.00 to standard D&P. Your order should arrive in two business days after shipping if ordered by noon Central time. Please note two-day orders placed after noon on Friday or Saturday will be processed Monday and should arrive in two business days after shipping. Some heavy or bulky items may not qualify for this service. A signature may be required and additional charges may be assessed if more than one attempt is made for delivery. This service is not available for some zip codes.
- **Overnight Delivery** — If requested, add \$17.00 to standard D&P. Your order should arrive the next business day after shipping if ordered by noon Central time. Please note overnight orders placed after noon Friday or on Saturday will be processed Monday and should arrive the next business day after shipping. Some heavy or bulky items may not qualify for this service. A signature may be required and additional charges may be assessed if more than one attempt is made for delivery. This service is not available for some zip codes.
- **AK, HI, Puerto Rico, & Guam Deliveries** — Add \$5.00 to the applicable D&P charges. Your order should arrive in approximately 7-10 business days after shipping if ordered by noon Central time.
- **International Deliveries** — A base delivery charge will be quoted at the time of order placement that could be amended at a later date for additional charges in the foreign country. Delivery transit days to the recipient will vary depending upon the destination country. Duties and taxes will be the responsibility of the recipient.
- **Additional Address** — Please add \$8.00 to applicable D&P charges for each additional delivery address.
- Items ordered together may be delivered separately, and the D&P will be allocated over shipments but not necessarily evenly. Some orders may require more than one package to ship; for these shipments the additional charge for two-day and overnight deliveries would be a per package charge.

- Returns may affect final D&P charges. D&P charges are not refundable unless merchandise is damaged or defective. Returns for reasons due to NM will receive D&P credit as was allocated, which may result in a final D&P charge after return that differs from quoted rates.
- Orders of multiple items from different catalogs will result in D&P from the table in the most current catalog, as D&P tables may vary from catalog to catalog.
- D&P may vary between catalog and Internet orders.
- Certain items requiring special delivery have D&P charges indicated in parentheses after the price. For those items only, the amount in parentheses is the total delivery charge for that item.
- Certain consumer commodities are considered hazardous materials, such as aerosols, nail polish, fragrances, and other alcohol-based products. Our policy is to ship these items as standard D&P to U.S. locations and to prohibit the shipping to international locations, including APO/FPO addresses, Puerto Rico, and Guam.
- A request to change the destination address of a shipment en route may incur an additional charge.

If requested, any item may be held for a future specified delivery date.

- **Other Items:** All fragrance and cosmetics returns must be unused, unopened, and in original packaging for a credit/refund or exchange to be issued. For cosmetic color consultation, we recommend contacting your nearest Neiman Marcus store and asking to speak with a cosmetic specialist who will be happy to assist with selections matching your skin tone and type. Once placed, orders for personalized items cannot be canceled, and personalized items cannot be returned. We ask that you take special care when specifying initials or names, and if requested, the style and color of the personalization. Perishable foods are not returnable. Please call us at 888-888-4757 for questions about your perishable items. All precious jewelry and Cartier watches must be returned within 60 days from the date of receipt and must include all original documentation.
