Super 200 Fleece Outerwear

A-D. For Men and Women Exclusive to L.L.Bean, Super 200 Outerwear is made of Polartec® Wind Pro® fleece—which blocks four times more wind than traditional fleece. While lesser-quality fleece allows cold air in to replace the warm air, ours stops the wind keeping you measurably warmer without a lot of bulk. Densely knit from special polyester yarns, it lasts longer and feels better than other fleece on the market. Two secure front zip pockets. Two-layer fleece collar. Adjustable drawcord hem. Men's has zip chest pocket. Imported. Machine wash and dry. **Colors** Shown at left.

Men's sizes Regular S, M, L, XL, XXL. Tall L to XXL.

Bean’s Adventure Duffles

C. For nearly 80 years, we’ve used only the most durable materials to build duffles that hold up to real-life situations. Today, our testers praise their endless uses and rugged construction—and our rolling duffle is a favorite carry-on choice. Available in four sizes and lots of colors, so there’s sure to be one for you. Reinforced bottom and long-lasting water-resistant coating. Extra-long zipper receives high marks from testers for its easy operation. Include cinch straps, plus a handle wrap and a padded Comfort-Carry strap, that are easy on hands and shoulders. Solids are nylon, prints polyester. Imported. **Colors** Shown above, at right and below.

SAME GREAT PRICE SINCE 1998

Bean's Personal Organizer

A. Over the years, as we've refined and improved our signature toiletry kit, we've kept the same affordable price without sacrificing quality. From the start, it's been known for its hinged design and a built-in hook that allows you to hang it anywhere. Side zip storage pockets let you quickly access a travel toothbrush, medicine or cosmetics. Two upper zip pockets help keep travel-size bottles and small toiletries within easy reach and keep spills contained. Main compartment has multiple soft mesh pockets to secure larger items and includes a removable shower caddy. Solids are made of water-resistant nylon packcloth, prints are polyester. Imported. **Colors** Shown below.

Waterproof Snow Sneakers

NOW EVEN BETTER—features our waterproof system and a sleeker shape that's lighter in weight.

F-H. For Men and Women We improved these popular winter sneakers by adding our waterproof TEK2.5® system—which keeps moisture out so feet stay dry and comfortable, even in melting snow and slush. The athletic-shoe comfort and winter-boot performance combine to make them ideal for winter walking or running errands around town. Plus, we gave them a trimmer fit and lower profile midsole and outsole. Rugged suede-and-fabric upper repels water and stains. Ecofriendly 200-gram PrimaLoft polyester insulation blocks winter's chill. Flexible EVA midsole for lightweight cushioning and support. Lugged rubber outsole helps provide traction in snow and slush, yet gives the feeling of traditional walking shoes. Imported. **Colors** Deep Coffee. Black. Women's also in Bayberry.
