## Perfect Fit Pants

**A-C.** We call these pants "Perfect Fit" for good reason. And now they're better than ever—thanks to feedback from customers and our product testers. We chose a fabric that's slightly heavier so it feels more substantial and offers better coverage. It also drapes nicely and doesn't cling like some other stretch fabrics on the market, and it's comfortable year-round. Made of smooth jersey-knit cotton with 10% stretchy Lycra® 3D. Fabric is yarn-dyed for stay-true color. All styles except Original have flat-front elastic waistband. Imported. Machine wash and dry.

**Colors** Misses': Shown below. Women's: Black.

**Sizes** Misses' XS, S, M, L, XL. Women's 1X, 2X, 3X.
